Certificate of Compliance

Certificate of PCI DSS Merchant Compliance

Payment Card Industry Data Security Standards Validation

Based on the information provided by the merchant listed below involving its security policies, procedures, and regulations, SecurityMetrics has found the merchant to be compliant with the Payment Card Industry Data Security Standards (PCI DSS), endorsed by Visa, MasterCard, American Express, Discover, and JCB card brands.

HOSTEK.COM

Last Passing Scan Date: 15 Jun 2015

Self Assessment Questionnaire (SAQ D 3.0) Compliant Date: 20 May 2016

SecurityMetrics recognizes the merchant for its efforts to reduce credit card theft and fraud. By achieving PCI certification, the merchant is maintaining rigorous data security standards to ensure that its customer's credit card information remains safe and secure. In order to maintain PCI DSS compliance the merchant's self-assessment questionnaire must be passed every 12 months and any scans, if applicable, must be passed every 3 months.
